

Greetings Potential Senior Babe Ruth Players, and your Families,

The BelMateo Babe Ruth League will offer a Senior program for the 2010 season. Players in this league are 16 to 18 years old. We are sending you this letter to get you thinking about next season and to see how many players might be interested.

To be eligible to play in Senior Babe Ruth is as the follows. Any player born in 1991, 1992, and 1993 are eligible to play for Babe Ruth Baseball 16-18 Division; players born in January, February, March and April of 1994 must play in the 16-18 Division; players league age (15 by May 1 age-determination date) are eligible to be a swing players in the 16-18 Division, with local Board approval.

Our boundaries are South San Francisco in the north to Redwood City in the south. For those of you who are high school baseball players, you will be playing with and against many players you know from your league. Our home field is the Belmont Sports Complex and there will also be games played against other Senior Babe Ruth teams on the Peninsula, North Bay, South Bay, and probably across the Bay in Alameda County.

The Senior Babe Ruth season would start after the high school baseball season is concluded, probably by the end of May. The number of games per week will vary but there may be as many as 4 games per week with some double headers on weekends. Senior Babe Ruth teams typically play 16 to 20 games per season. While it is not expected that players will be at every game, it is expected that players will commit to a majority of the games. There will be an opportunity to play in tournaments – some during the regular season and an all-star tournament at the end of the season.

Please if interested in joining a Senior Babe Ruth League, or have questions. Respond to Joe Bajurin at the email address below.

Please check our Website [www.Belmateobaberuth.com](http://www.Belmateobaberuth.com) for on-line registration.
